

## *Hegewisch Little League, Inc.*

---

Dear baseball players and parents,

Mann Park is having a winter baseball clinic at the park. There will be coaches from Little Leagues major and minor divisions on hand to assist with the clinic. The clinic will run for ten weeks starting in January. There is a training program that will be used so that every child is learning something new every week. For example one week might be focused on throwing, the following week would be hitting, and the week after pitching.

This is a park district class that our coaches and volunteers help with. The cost of the clinic will be \$9 but it could increase a dollar or two depending on the park district increase in registration fees. The class for children between the ages of 7 to 9 years old during the baseball season will be every Tuesday between 5:00PM and 6:00PM starting January 3, 2012. For children between the ages of 10 to 12 years old during the baseball season will be every Thursday between 5:00PM and 6:00PM starting January 5, 2012.

If you are interested in volunteering to help out in this program, you will have to be approved through the park. You can call or visit the park and see Pat for requirements needed to volunteer. Any child not registered through the park will not be permitted to attend. Also any volunteers that are not approved through the park cannot help during the clinics.

If your child is interested in participating in this clinic you can visit Mann Park and see Pat, Lori, or Vic or call Mann Park at 773-646-0210. You can also contact Rey Rodriguez at 708-299-4103 or [hegewischbaseball@gmail.com](mailto:hegewischbaseball@gmail.com) for any further information.
