2012 Season

Dear Business Owner/Operator,

The coaching staff of the Outlaws Baseball Club would like to take a moment of your time to introduce you to our baseball club.

The Lapeer Outlaws Baseball Club was formed in January 2005. We are an independent baseball club created to produce Lapeer's only elite youth baseball program. Over the past seven years, our Club has grown from one team in 2005, to eight teams for 2012. Our team's range from 9 and under to 18 and under. This summer our teams will be playing in the very competitive, Greater Flint Baseball League, as well as local, state, and national tournaments. This year all of our teams will be competing in at least three tournaments. Our 12 & under team will be competing in a 100+ team national tournament in Cooperstown, New York. All of our teams will be competing for a World Series berth in the American Amateur Baseball Congress (AABC) through the Greater Flint Baseball League. Last year, our club was very successful in the GFBL as well as the USSSA tournaments. We are committed to excellence and building a fundamentally sound baseball club.

Thanks to our Sponsors last year, we were able to compete in several local and state tournaments. We are looking for sponsors to support our Club throughout the 2012 season. As a sponsor, you can be assured that we will encourage our members and the general public to patronize your business. Thank you for supporting the Lapeer Outlaws Baseball Club.
