

OVERVIEW

Welcome to the 2011 edition of the SkyHawk Baseball Association Booster Club, the official fundraising and support group for the SkyHawk Baseball Association programs. This will be the inaugural year for the Baseball Booster Club. The plan is to generate funds to help pay for uniform and equipment needs, coaches salaries, coaches clinics, and supporting the end of season banquet. The 2011 SkyHawk Baseball Association Booster Club needs your help as it is dedicating itself to establishing the growth and development of the SkyHawk Baseball Association. A vision has been fashioned for making the entire baseball program better for the future and with your help we can make it happen. Developing and providing information, instruction, and clinics for players and coaches at all levels will promote the growth of the SkyHawk Baseball Program. Acquiring equipment and enhancing facilities will provide necessary tools for participants in the baseball program.

Some financial support from the Skutt Catholic High School Athletic Department is received, but those funds are limited in their scope and in the purpose of utilization. With your assistance, we can do more and make our vision become a reality. We want to promote a SkyHawk Baseball community of which everyone can be proud - a community to be enjoyed for years to come.

Diamond Fund Project List

- Sinking dugouts
- Air conditioner in concession stand
- Paint foul poles
- Grandstand
- Sidewalks
- Outfield fence windscreen
- Maintaining field

Membership Information

What is The Diamond Club?

The official support group for the SkyHawk Baseball Association.

What is the Purpose of the Diamond Club Organization?

1. To provide an opportunity for people to get involved in the SkyHawk Baseball Program.
2. To support the goals of the program while serving as the official fund raising arm.
3. To promote a greater interest and stronger fan base and support for SkyHawk Baseball.

Who should join?

Anyone interested in SkyHawk Baseball is encouraged to join. Members could include parents, alumni, friends and fans of SkyHawk Baseball.

How can you help?

Funding a "first class" baseball program can be very costly and it cannot be done with only assistance from Skutt Catholic High School. The costs of operating our program continue to rise each year. To build for a brighter future, build a tradition of excellence and develop successful student-athletes your support is much needed.

Membership Benefits

Single (\$25)
