

# 2nd Annual BKO Open...

This year's BKO Open will have one notable absence: Barb Kuzma O'Reilly. As most of you know, Barb lost her battle with CJD October 31, 2008, less than four weeks after the inaugural open. But it's in her great spirit that we wish to make this an annual event to celebrate friends and family and in the process, give back as Barb did- so graciously and generously. In 2009, Foundation money has been distributed for disease research and two scholarships were awarded.

With the criteria of having to be either a four-year basketball or baseball/softball player, Reeves Northrup (Northview) and Sarah Haynam (Southview) were the first \$500 recipients. It is the Foundation's hope to make this a renewing scholarship, with the annual golf open proceeds helping to fund that endeavor.

Continued support for CJD research is the Foundation's desire as well, as the disease continues to have more questions than answers and is sadly, 100% fatal to all those who receive the grim diagnosis.

Mike, Cam, Olivia and Barb's entire family are humbled by the outpouring of kindness and support and would love to see another great turnout at this event !
