

## 2008 sponsorship Opportunities!

Please accept this letter on behalf of the 2008 Greenwood Bantam Football League as our request for your involvement with our league.

As a Not-For-Profit corporation, Greenwood Bantam Football League (GBFL) has provided an organized football league for boys and girls for more than 30 years. Our players, cheerleaders, coaches, parents, and fans come from all over the south suburban area. The fields are located in the heart of Greenwood just north and south of the Greenwood library. On “**ANY GIVEN SATURDAY**” from August through October as many **1,000** people pass through these fields. Wouldn't your business benefit from that kind on exposure?

GBFL added a new Rookie Division last year for 1<sup>st</sup> and 2<sup>nd</sup> graders. Cheerleaders can now start a year earlier (6 years of age). Simple put, more kids means more equipment and more referees will be needed. We have long reputation of keeping our registration fees for players among the lowest in central Indiana. We now need **YOUR** help more than ever to keep “**LAYING THE FOUNDATION**” for Greenwood football!

Thank you in advance for becoming a vital part of our program and for taking an interest in youth football.

Sincerely,

Greenwood Bantam Football League

Coach  
And Dad
