## GBFL History

The bantam football program was formed in 1970 by the Greenwood Jaycees, and operated for 2 years under their direction. The Jaycees turned over the program to a group of local residents in 1972, and a “Charter of Incorporation” was granted by the State of Indiana, that year, to create the Greenwood Bantam Football League, Inc. The GBFL is a not-for-profit organization.

## GBFL Mission Statement

Greenwood Bantam Football League, Inc. is committed to giving young athletes, both football players and cheerleaders alike, an opportunity to develop themselves physically and emotionally through athletic participation. We will provide an environment that allows each athlete to develop skills needed to ensure success throughout their lifetime. We will accomplish this by providing a supportive atmosphere that builds confidence and self-esteem, teaches the value of teamwork and trust, and inspires everyone to give their very best effort at all times.
