We are an all Volunteer Club!

Welcome to the upcoming 2011 season of the Shelby Lions! Our organization is only as good as its volunteers, and as a member of the Shelby Lions Football Club we are all volunteers. As a member of the Shelby Lions Football Club, you agree to help out and volunteer at our home games, or fulfill other volunteer commitments for the 2011 season. We have a proud tradition with very helpful families, and without you we couldn't do what we do for our kids!

2011 Volunteer Information!

Each family is required to fulfill at least 6 commitments per family, not per child.

Any person or person(s) 18 years of age or older can volunteer for a family to meet the commitment requirement. This can be a parent, guardian, step parent, older sibling, grandparent, aunt, uncle, family friend, etc. You are expected to find a replacement to take your position if you are unable to attend the commitment you signed up for.

You will have the opportunity to select your volunteer dates and times at Parent Night or Equipment Distribution. Please be sure to bring your calendars to these functions so you may plan accordingly.

Reminder!

As in the past, we will be requiring a volunteer deposit (\$100), which will be payable via **check** at Equipment Distribution. Your check will be held and returned to you at Equipment Return in November if your volunteer commitments for the season are fulfilled.

However, if you do not fulfill the six volunteer times you are asked to commit to, your check will be cashed and considered a donation to the Shelby Lions Football Club. **Please note that failure to complete your family obligation will prohibit your child from being eligible for Return Registration the following year. You will need to take the chance that a spot will be available at Open Registration.**

We hope you understand that we simply cannot continue to run a successful program without your commitment and prefer that you become involved with your child(ren) and volunteer your time and not make a \$100 contribution.
