

## West Chester Outlaws Football & Cheerleading Club

### Our Mission

#### **Mission of the West Chester Outlaws...**

The West Chester Outlaws provides its athletes, parents and volunteers with a positive experience, through the education of fundamental development, continuous skill-assessments and preparation for lifelong learning and service to others. The association as well as its coaches promote diversity by welcoming boys and girls of different races, religious beliefs and cultural backgrounds to participate in its activities.

All coaches affiliated with the West Chester Outlaws are certified and responsible for fostering collaborative relationships with each player in a nurturing environment that will enhance intellectual, ethical, spiritual, athletic and social development.

In the spirit of the Association's commitment to service, its board of directors foster an environment, which promotes community support from our coaches, athletes and sponsors to uphold our moral duty of helping others.
