

2012 Pee Wee Division Playoff Format

Round One (Feb. 6th - 17th)

A Side (Single game round robin format)

The top 6 teams from the regular season standings will be grouped into 2 pools. Pool A will consist of the teams that finished 1st, 4th & 5th during regular season play, while Pool B will consist of the teams that finished 2nd, 3rd, & 6th. Each pool will play a round robin series against each team in their pool with the top 2 teams in each pool advancing to the second round of the A side while the third place finishers in each pool move on to the B side.

Round Two (February 18th - March 11th)

A side (Best of Three series)

The teams are re-seeded based on the position they finish in their pool in round one.

Second round match ups are as follows:

A1 vs. B2

B1 vs. A2

B Side (Best of Three series)

A3 vs B3 – Winner of this series wins the Atom B side

Round Three (March 12th- 25th)

League Championship series (Best of 3 series)

The 2 remaining teams on the A side will play a best of three series to determine the 2011-2012 NCMHL Pee Wee Division League championship.
