

**ROBERT MORRIS UNIVERSITY PROUDLY PRESENTS OUR 2010 ACHA COLLEGE  
HOCKEY SEMINAR  
SATURDAY NOVEMBER 13    EDGE ICE ARENA**

Registration is now open for our annual ACHA College Hockey Seminar and On Ice Evaluation. This year's seminar is being limited to 50 skaters, as we will only have one sheet of ice this year, so do not delay in mailing in your registration form and payment.....as you all know, this is a highly popular event!

This seminar is open to all high school age and any older players who are college eligible. The 90 minute seminar will cover a variety of topics that will get you a quick education in what it takes to become a college hockey player. Parents are encouraged to attend the seminar along with the players. Following the seminar the players will participate in a 90 minute on ice session that will be scouted by coaches from the team participating in our ACHA Showcase Tournament. The teams scheduled to appear in the men's division this year include:
