Lynn and Teena are looking into having a carwash at Cobblestone Carwash. A percentage of sales would go to Spiritline. There is also a possibility of a Spiritline night at Yogurt Builders.

Start saving your Garage sale items for the big September garage sale at Horizon. We have four spots reserved for Spiritline, so there should be lots of space for items friends and relatives may wish to donate. They are also looking at the possibility of a dance training event by Epic Dance Crew. They would come to Horizon to teach dance classes to children and others 13 yrs. old & up.
