

This is a survey by Fairfax County Public Schools about the late start of schools. All are encouraged to fill it out.

Link to Online Survey: The online survey in English is live beginning today at http://www.surveymonkey.com/s.aspx?sm=tOTu1ydJNZTSKZNLyFLChw_3d_3d and will be open until February 28. The Spanish and Korean versions will be live later this week. We are encouraging students in grades 6-12, their parents, and FCPS employees to complete the survey to comment on changes that are under consideration to school start and dismissal times.

Please alert your students in grades 6-12 to take the survey by including this information in your morning announcements or on your school TV news show. Students will need to log into their FCPS 24-7 accounts (<http://fcps.blackboard.com>) to take the survey.

Please encourage all your employees, including food service and custodial workers, to take the survey. Later today, all employees will receive an e-mail with the link to the survey so they can take it at their convenience.

More information about the proposed changes is available at <http://www.fcps.edu/news/start.htm>.
