

## We know that caring for the community is part of our responsibility.

The “Your Community Partners” program is one way we can accomplish that goal.

**We donate 10%** of our commission to the non-profit organization of your choice after every closing—whether we represent you on the listing of your home or your purchase of a new home. For example: The sale of a \$350,000 home will typically yield a donation of \$1,040. It follows that ten Your Community Partners gifts directed to a designated charity would yield a total of \$10,400 for that charity!
