

Southwest Michigan Women's Soccer Association
League Meeting
June 30, 2010

Things to know for fall.

Current start date is scheduled for August 25th. Because Drake Rd. fields are not allowing us on the fields until then.

Last scheduled game with 9 games would be October 20th.

We think Soccer Zone / KIC will want to start on the 20th of Oct. The 3rd week of Oct. is their normal starting week. So we would probably need a Monday game to get 9 games in 8 weeks or to start the season at least one week early and play one game at the Portage Soccer Complex (PSC).

Items to vote on: **Decision for votes is in bold.**

- I. For the canceled game on 6/30 does your team want:
 - a.) **a discounted fall season - 2010 Fall season fee will be \$540 per team**
 - b.) a game added on to the fall season
- IIa. If the vote is for a discounted fall season we then need to vote to:
 - a.) **start on the 18th of August and play 1 game at PSC**
 - b.) start on the 25th of August and have 1 Monday game
- NO NEED TO VOTE ON THIS
- IIb. If the vote is to have a game added on to the fall season we then need to vote to:
 - a.) start on the 11th of August and play 2 games at PSC
 - b.) start on the 25th of August and have 2 Monday games
- III. IF the fields can accommodate it is there any interest in starting all games at the same time in the Spring? **NO**
- IV. Would your team like to play 40 minute halves, *time permitting*?
YES - This would probably be in effect for the Spring season and maybe the first couple of games in the Fall.

Also the board is going to try to get league rules/by-laws on the website over the summer. We will also be looking into making the waiver a form to fill out and sign digitally so it can be emailed more easily. Same for the team rosters.
