or  
mms126@roadrunner.com

HOWARD KLEBANOW

440-498-1120  
or  
HKDI@aol.com

**SOLON LIGHTNING is a girl's travel soccer club. The program is designed for girls ages 9-14. Our teams work on developing soccer skills, sportsmanship and growth as an athlete, while competing against other local travel teams throughout the year. Our season starts in August and continues through June. We play outdoor in the fall and spring and indoor in the winter.**

Participation in the Lil' Lightning Program is a great opportunity to gain soccer fundamentals, play scrimmages and learn about our program. It is a six (6) week program run by Jon Chin, Solon Lightning Director of Coaching. Jon was most recently an assistant coach at the University of Toledo and Baylor University. He is also a coach with the Olympic Development Program (ODP) and holds a B license.

**The Lil' Lightning Program will consist of an introduction to the fundamentals of soccer technique, which include ball handling skills, passing, shooting and receiving. There will be an opportunity to learn proper soccer technique in a fun, positive and educational environment, while participating in scrimmages each week.**
