The Ball State University Division I Women's Soccer Program would like to present future college athletes with the 2010 College I.D. Camp.

The staff will include BSU Head Coach Craig Roberts and Assistant Coach Rachel Napoli. This camp will allow future athletes to understand what it is like to play at BSU and the Division I level.

The camp will include hands on coaching with Coach Roberts, speed training, and a college recruiting presentation. The College I.D. Camp is solely for high school athletes (grades 9-12) who are interested in playing college soccer.

Campers are to bring their own lunch and arrive no later than 8:45 a.m. Please bring shin guards, socks, a ball, indoor and outdoor shoes, and a water bottle. Water and Gatorade will be available.

If there is inclement weather we will go into the **Field Sports Building** located in the adjacent building to Worthen Arena. Check in will be at the entrance of the soccer field directly across from Ball Memorial Hospital on University Avenue.
