Player Profiles

2010 Season

Organizational and Team History

THE ORGANIZATION

The Alabama Twisters Fastpitch Organization was founded to provide an environment in which the fastpitch athlete could become the best softball player she could possibly become.

Starting in 2004 with three teams and no official facilities, the Alabama Twisters Organization now has seven teams that compete at the highest levels in ASA, NSA, and USFA sanctioned tournaments. In 2007, the organization invested in a 5,000 s.f. indoor facility in Helena, Alabama. This facility, inclusive of its 8,000 s.f. clay practice surface, is fondly referred to as "Home of the Twisters."

THE TEAM

The flagship team of the organization, Twisters '94, is coached by Twister's founder David Seitz and Jeff Shields. This team is the epitome of championship consistency and is a great example of what can be accomplished when several athletes remain committed and focused on improving their overall skills.

Each season has provided opportunities for these players to excel and showcase their skills at the highest level. The table to the right highlights the results of this commitment.
